The participants of the training were the border guards from various Border Guard Regional Units as well as representatives of the Office for Foreigners and Regional Government Offices. Paweł Dąbrowski – Chairman of the Council for Foreigners’ Matters, participated as experts in the workshop.

The workshop was of a practical sort, their content being the issues especially interesting to people who conduct administrative proceedings towards foreigners, that are, for some reasons, problematic or inconsistently shaped by the decisions of administrative courts.

The participants discussed the general provisions of conducting administrative proceedings, the rules regarding the participants of such proceedings, their rights and obligations, especially the role of proxy in the proceedings, as well as process of starting and conducting the proceedings until the issuance of final decision. The method of counting and maintaining the time periods in administrative proceedings was specified together with special modes (including the reopening of the proceeding).

The training was co-financed in the frames of Norway Grants project No. 26/ NMF PL 15/14.
